

Question and Clarification Response pertaining to ICT Tender

Question #1: Is this tender for procurement of equipment only or is deployment and installation services required

Response: As per Annex II and III – ‘Technical Specifications and Technical Offer’, the tender is mainly for the supply of equipment except for Lot 3: Computer Software where training and installation support required on site, and for Lot 6: Interactive Whiteboard where installation on location is required.

Question #2: Can our response be in United States dollars

Response: In the Instructions to Tenderers, Article 6 it is clearly stated that “Tenders must be presented in Euro currency (€).”
