

CANCELLATION OF A SUPPLY TENDER PROCEDURE

Supply of Equipment / SFA 2005: ICT Development Programme

Lots 4, 5 and 10

1. Publication reference

EuropeAid/127217/D/SUP/DM

2. Date of publication

7th August 2008

3. Programme

Special Framework of Assistance (SFA) 2005

4. Contracting authority

The National Authorising Officer for the Government of the Commonwealth of Dominica

5. Other information

The tender procedure has been unsuccessful, that is no qualitatively and/or financially worthwhile tender has been received for Lots 4, 5 and 10. The Contracting Authority will negotiate with tenderers of its choice from among those who took part in the tender procedure. The initial conditions of the tender procedure will not be substantially altered and the principle of equal treatment will be observed.

Notes:

Should a new tender procedure be launched for this project, a new procurement notice will be published.

Natural or legal persons interested should not therefore send proposals or requests for information at this stage.
